

ADVANCED  
VALUE CARE

## REQUIRED ANNUAL NOTICE: NO ACTION NEEDED

Dear

We are writing to let you know that your doctor is part of Advanced Value Care II, a Medicare Direct Contracting Entity (DCE) participating in a program within Medicare.

**Your Medicare benefits have not changed. The doctor, nurse practitioner, or physician's assistant that you usually see has asked us to help see that you get the right care at the right time. You are not enrolled in any type of plan. You still have the freedom of choice to go to any doctor, hospital, or other healthcare provider of your choice that accepts Medicare.**

A DCE is a group of doctors, hospitals, and other healthcare providers who agree to work together to keep you healthy. All members of Advanced Value Care II agree to work together to see that you get the right care at the right time. We will help everyone work together to give you better care. We will coordinate your care according to your individual medical needs and treatment choices. We will protect your medical records and privacy. We will work to reduce duplicate tests and duplicate paperwork that cost you time and money. To see a list of the doctors and other groups that work with us, visit our website at: <https://avc2dc.com/>

Doctors who are part of a DCE find that they are able to give their patients better quality care. **Your regular Medicare benefits have not changed.** You may still go to any doctor, hospital, or other healthcare provider that accepts Medicare. However, because your doctor is now connected with Advanced Value Care II some special features may be available to you at no extra cost. For information about any of these features, please ask your doctor or healthcare provider.
